### **ALRC National 2012 NEWS and update. Announcing FREE ALRC Club stands and Race2Recovery**

Dear fellow Club Secretaries, Webmasters and Editors.

Planning is well underway for the 2012 event hosted by Lincolnshire Land Rover Club and Peak & Dukeries Land Rover Club at Belvoir Castle near Grantham. The site has excellent road links and is only a few miles from the A1 on the A52.

The site has a level well drained camping field. The competition area is in a wooded valley adjacent to the field featuring a variety of terrain from forestry tracks to a disused quarry face. There will be events throughout the weekend in the arena and in the competition arena adjacent to the caravan field.

We would like to invite all ALRC member clubs to have a FREE trade stand around the arena(camping not included). You can show off vehicles and show off your club activities. For more details contact Sam at [trader@alrc2012.co.uk](mailto:trader@alrc2012.co.uk)

The event will have "Something for everyone".

Members will get:

**Prices held or reduced from 2011!**

**5 days full weekend camping including the extra Bank Holiday for £45. Camping in 200 acres of Parkland below the Castle.**

**Road Taxed Land Rover Trial.**

**Cross Country Land Rover Trial.**

### **Please SUPPORT Race2Recovery**

ALRC 2012 are proud to welcome the team from Race2recovery to compete and fundraise for three charities at the event. The Royal British Legion, Help for Heroes and Combat Stress. Please help us support those who serve us. You will be able to make a donation on line with your entry and we will present the team with a cheque at the event. Every pound donated will help a wounded serviceman or woman.

Visit [race2recovery.co.uk](http://race2recovery.co.uk). to find out more about this inspirational team.

Please find attached an A5 and A4 flyer with information on the event. Please publicise the event to your members by placing this in your Club Magazine and the details/links on your websites.

We look forward to seeing you.

Please contact us with any queries.
